BEER MAKING AT HOME

Congratulations! You have received a gift certificate to Brew It Yourself, the Bay's best hands-on brewing class. You'll be getting your hands dirty learning to brew, and the best part is, you'll take home beer YOU made. Check out BrewItYourselfSF.com for more.

When you are ready to brew, go to our website, find a date that works for you, and send us an email at jason@mercuriusbeer.com to reserve your spot. The classes fill up in advance, so please email early.
